

MacWireless AirPort Trade-In Program

Purchase any MacWireless product, trade in your AirPort card to us and receive a **\$50** rebate! Or trade in your AirPort Extreme card for a **\$20** rebate! Please note that we cannot refund more than the amount of your purchase. In the case that the amount of your purchase is less than the rebate, we will refund the entire amount of your purchase.

Here's how it works:

1. Purchase any MacWireless product at regular price from MacWireless.com.
2. Remove the AirPort card from your computer and send it to MacWireless.com. Your AirPort card must be in fully working condition and include the AirPort and FCC labels.
3. Once we receive the AirPort card, we will issue a \$50.00 (\$20.00 for AirPort Extreme cards) credit to your credit card. Again, please note that we cannot refund more than the amount of your purchase. In the case that the amount of your purchase is less than the rebate, we will refund the entire amount of your purchase.
